

Learning Team Reflection Form

Learning Team: _____

Meeting Date: _____

Team Member: _____

The purpose of this team meeting:

The data or artifact that focused our thinking was:

Something that helped foster trust within our group was:

An example where we challenged our thinking or took differing points of view within the group:

My participation in this meeting was:

One idea I am excited to try in my own classroom based on this conversation:

We were successful in:
